

The Auditing Division of the Utah State Tax Commission is reviewing FAA records of all aircraft registered in Utah to ensure the applicable sales and use tax required by Utah Code Annotated §59-12-103 has been paid. The objective is to assist those taxpayers with aircraft registered in the State of Utah in calculating and remitting the correct sales and use taxes. Those taxpayers participating in this will not be assessed penalties for this transaction.

The following files will assist you in completing the required forms. If you need additional information, contact the Auditing Division at: comp@utah.gov .
